

# Taranaki Radio Control Car Club Inc.

Centennial Drive & Clemow Road New Plymouth.

## Welcome

The Club The Taranaki Radio Control Car Club Inc. (TRCCC) has been in existence since 1978, and consists of a friendly and enthusiastic group, ranging in age from 6 to 60+, who all have one thing in common, they love racing Radio Control Cars. The TRCCC welcomes people of all ages, male and female to join us in this popular sport of Radio Control car Racing.

## Public Viewing

Admission is free to the public on all Club race days and National events, simply come along and enjoy. Feel free to ask questions as members will be more than willing to help you.

## Lap Scoring

The TRCCC uses AMBrC transponders and Live Time RC software to automatically lap-score our races. This is “state of the art” technology and produces race analysis of individual lap times down to 1/100<sup>th</sup> of a second and available live on line.

## Our National Body

The TRCCC is affiliated to the New Zealand Radio Control Association (NZRCA) which provides standardisation of class & racing rules for all affiliated clubs around New Zealand, as well as sanctioning open race meetings at various times and places throughout the year.

Both the cars that are raced and the race meetings themselves must comply with these rules that have been written in the interest of fairness to competitors, and for the promotion of the sport.

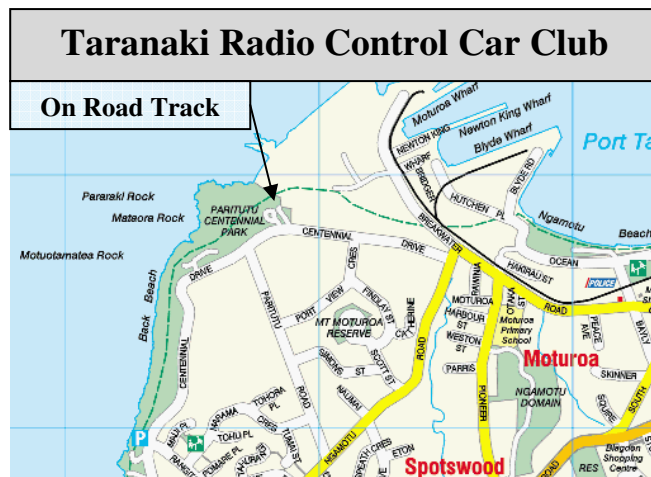

Members of our Club regularly compete in National events with mixed results. This is a great way to meet new people and drivers from all around the country who share a common interest. The TRCCC occasionally hosts some of these National Competitions.

## Racing

The TRCCC runs 2 types of “Club Race” events, On Road and Off Road Racing events as outlined to follow.

## TRCCC On Road Racing

TRCCC has a permanent outdoor on road sealed circuit located on Centennial Drive, New Plymouth at the base of Paritutu rock, overlooking Port Taranaki. It is just 10 minutes from the centre of New Plymouth, and has been marked for easy reference on the street map below. The track is available anytime for anyone with a Radio Control Car to use.

### On Road Race Dates and times:

On Road Club race days are held all year round weather permitting. These are held on the first and third Sunday of every month. Registrations must be made by 11:30am on the day, racing starts promptly at 12:00 midday, and you needn't be a member to race.

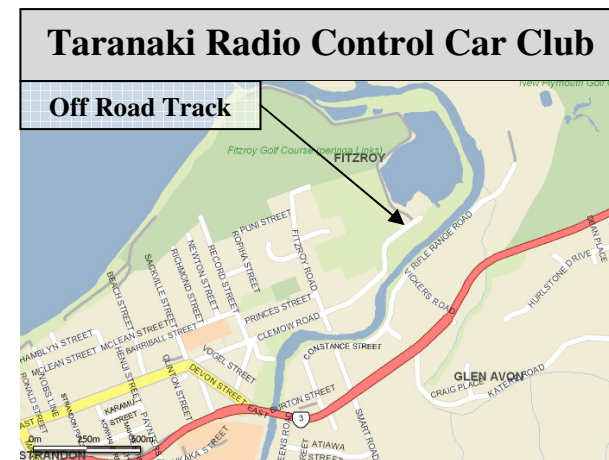

### Classes Raced:

The TRCCC On Road Racing caters for an electric Touring car classes but with the new track development we hope to expand that soon.

## TRCCC Off Road Racing

TRCCC has a Off Road track located on Clemow Road, Fitzroy, New Plymouth at the end of the road on the right hand side just before you turn left to go down to Lake Rotomanu. It is also just 10 minutes from the centre of New Plymouth, but on the east side of the City Centre and has been marked for easy reference on the street map below. The track also is available anytime for anyone with a Radio Control Car to use.

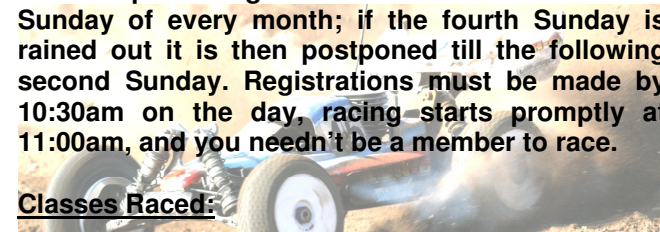

### Off Road Race Dates and times:

Off Road Club race days are held all year round weather permitting. These are held on the fourth Sunday of every month; if the fourth Sunday is rained out it is then postponed till the following second Sunday. Registrations must be made by 10:30am on the day, racing starts promptly at 11:00am, and you needn't be a member to race.

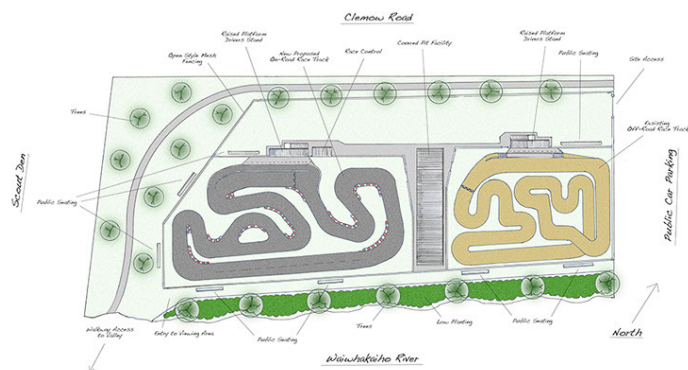

### Classes Raced:

The TRCCC Off Road Racing caters for both Internal Combustion (Gas or IC) and Electric classes of 1/8<sup>th</sup> Buggy and 1/8<sup>th</sup> Truggy as well as Electric classes for 1/10<sup>th</sup> 2WD, 4WD, Stock, Modified, Fun and Short Course truck classes. Examples of these cars can be seen on our website in the gallery.

Taranaki Radio Control Car Club has been racing at the Paritutu Race Track on Centennial Drive in New Plymouth for 34 years. After all this time we have been asked to leave, as the property now has too much commercial value. The New Plymouth District council has been gracious enough to agree to lease the club a beautifully scenic piece of land in Fitzroy overlooking Lake Rotomanu and the spectacular walk bridge. With the new facility, designed similar to the one pictured below, the club will have a world class complex offering affordable racing to all ages and skill levels.

## RECIPES

We are offering three levels of sponsorship for this project, which for a business may be 100% Tax Deductible. If you are interested please contact us and we will provide you with an invoice.

- A beautifully presented plaque permanently mounted on display within the complex in a dedicated gold area as a permanent reminder of your generosity.
- A gold lifetime pass, giving you and your family (if applicable) unlimited and free access to the new complex.

- A beautifully presented plaque permanently mounted on display within the complex in a dedicated silver area as a permanent reminder of your generosity.

- A beautifully presented plaque permanently mounted on display within the complex in a dedicated bronze area as a permanent reminder of your generosity.

- Any level or type of sponsorship will be gratefully accepted through [www.givealittle.co.nz/org/trccc](http://www.givealittle.co.nz/org/trccc)
