

Taranaki Radio Control Car Club Inc.

Centennial Drive & Clemow Road New Plymouth.

Welcome

The Club The Taranaki Radio Control Car Club Inc. (TRCCC) has been in existence since 1978, and consists of a friendly and enthusiastic group, ranging in age from 6 to 60+, who all have one thing in common, they love racing Radio Control Cars. The TRCCC welcomes people of all ages, male and female to join us in this popular sport of Radio Control car Racing.

Public Viewing

Admission is free to the public on all Club race days and National events, simply come along and enjoy. Feel free to ask questions as members will be more than willing to help you.

Lap Scoring

The TRCCC uses AMBrC transponders and Alycat Race Management software to automatically lap-score our races. This is “state of the art” technology and produces race analysis of individual lap times down to 1/100th of a second.

Our National Body

The TRCCC is affiliated to the New Zealand Radio Control Association (NZRCA) which provides standardisation of class & racing rules for all affiliated clubs around New Zealand, as well as sanctioning open race meetings at various times and places throughout the year.

Both the cars that are raced and the race meetings themselves must comply with these rules that have been written in the interest of fairness to competitors, and for the promotion of the sport.

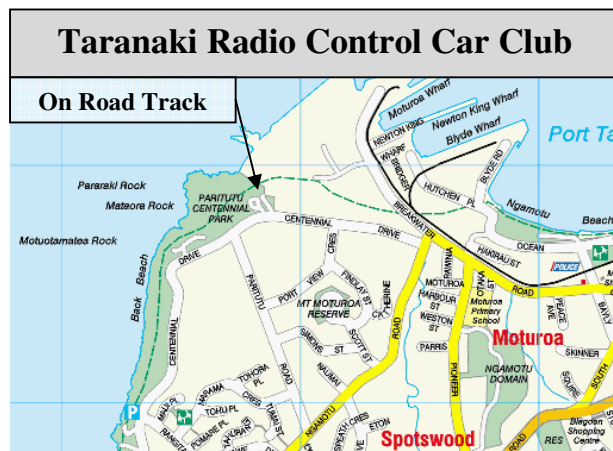

Members of our Club regularly compete in National events with mixed results. This is a great way to meet new people and drivers from all around the country who share a common interest. The TRCCC occasionally hosts some of these National Competitions.

Racing

The TRCCC runs 3 types of “Club Race” events, On Road, Off Road and Indoor Racing events as outlined to follow.

TRCCC On Road Racing

TRCCC has a permanent outdoor on road sealed circuit located on Centennial Drive, New Plymouth at the base of Paritutu rock, overlooking the New Plymouth Power Station and Port Taranaki. It is just 10 minutes from the centre of New Plymouth, and has been marked for easy reference on the street map below. The track is available anytime for anyone with a Radio Control Car to use.

On Road Race Dates and times:

On Road Club race days are held all year round weather permitting. These are held on the first and third Sunday of every month. Registrations must be made by 10:30am on the day, racing starts promptly at 11:00am, and you needn't be a member to race.

Classes Raced:

The TRCCC On Road Racing caters for both Internal Combustion (Gas or IC) classes 1/8th and 1/10th scale. As well as Electric classes; Tamiya Mini, Stock Touring, Super Stock Touring, Modified Touring & F1. Examples of these cars can be seen on our website in the gallery.

TRCCC Off Road Racing

TRCCC has a Off Road track located on Clemow Road, Fitzroy, New Plymouth at the end of the road on the right hand side just before you turn left to go down to Lake Rotomanu. It is also just 10 minutes from the centre of New Plymouth, but on the east side of the City Centre and has been marked for easy reference on the street map below. The track also is available anytime for anyone with a Radio Control Car to use.

Off Road Race Dates and times:

Off Road Club race days are held all year round weather permitting. These are held on the fourth Sunday of every month; if the fourth Sunday is rained out it is then postponed till the following second Sunday. Registrations must be made by 10:30am on the day, racing starts promptly at 11:00am, and you needn't be a member to race.

Classes Raced:

The TRCCC Off Road Racing caters for both Internal Combustion (Gas or IC) and Electric classes of 1/8th Buggy and 1/8th Truggy as well as Electric classes for 1/10th 2WD, 4WD, Stock, Modified, Fun and Short Course truck classes. Examples of these cars can be seen on our website in the gallery.

TRCCC Indoor Racing

TRCCC is in the process of securing an indoor venue, please watch our website for any developments or contact Aaron with your thoughts.

Indoor Race Dates and times:

Indoor racing is usually once a month on a Friday night but check our website for the latest scheduled dates. Race night schedule has the track setup from 6.00pm, with the intention of registration between 6.30pm and 6.45pm, with the aim of racing starting 7.00pm indoor racing is open to anyone with a Radio Control Car.

Classes Raced

The TRCCC Indoor Racing caters for Electric classes only; Tamiya Mini, Touring Cars & Off Road Cars.

Future Developments

TRCCC is currently starting a long term project to relocate the current onroad facility to Clemow Road. The intention is to create a world class facility with Onroad and Offroad racing. Contact us or check our website for the latest information on this development.

Subscriptions:

The current subscription fees to join TRCCC:

Adult Membership	\$40.00 per year
Student & senior citizen	\$25.00 per year
Associated Membership	\$5.00 per year
Family (conditions apply)	\$65.00 per year

An associate member is someone who wishes to be a member and supporter of the club but doesn't race a car.

Race Day fees are as follows:

Members:

\$10 for the first car and **\$5** for any number of extra cars.

Non NZRCA Members:

\$15 for the first car and **\$5** for any number of extra cars.

The racing year for the club runs from 1st May till the 30th of April with our AGM held in mid May. Membership forms are available on the website, please feel free to download a copy, fill out and submit along with the appropriate fees.
